### **Uses and Disclosures of Protected Health Information**

**We may use or disclose (share) your PHI to provide health care treatment for you.**

Your PHI may be used and disclosed by your orthodontist, our office staff and others outside of our office that are involved in your care and treatment for the purpose of providing health care services to you.

EXAMPLE: Your PHI may be provided to a dentist to whom you have been referred for evaluation to ensure that the dentist has the necessary information to diagnose or treat you. We may also share your PHI from time-to-time with another dentist or health care provider (e.g., a specialist) who, at the request of your orthodontist, becomes involved in your care by providing assistance with your care or treatment.

**We may use and disclose your PHI to obtain payment for services. We may provide your PHI to others in order to bill or collect payment for services. There may be services for which we share information with your treatment plan to determine if the service will be paid for.**

PHI may be shared with the following:

- Billing companies
- Insurance companies
- Government agencies in order to assist with qualification of benefits
- Collection agencies

EXAMPLE: You are seen at our practice for a procedure. We will need to provide a listing of services such as x-rays to your insurance company so that we can get paid for the procedure. We may at times contact your plan to receive approval PRIOR to performing certain procedures to ensure the services will be paid for. This will require sharing of your PHI.

**We may use or disclose, as-needed, your PHI in order to support the business activities of this practice.**

EXAMPLES:

- Training students, other health care providers, or ancillary staff such as billing personnel to help them learn or improve their skills.
- Quality improvement processes which look at delivery of health care and for improvement in processes which will provide safer, more effective care for you.
- Use of information to assist in resolving problems or complaints within the practice.

**We may use and disclose your PHI in other situations without your permission:**

- If required by law: The use or disclosure will be made in compliance with the law and will be limited to the relevant requirements of the law
- Health oversight agencies: We may disclose protected health information to a health oversight agency for activities authorized by law, such as audits, investigations, and inspections.
